# THE RILEY ONLINE LIBRARY

This Online Library has been developed for The Riley Car Club of New Zealand Inc. to promote and encourage the restoration and preservation of all Rileys. It holds reproductions or copies of instruction books, spare parts books, brochures, bulletins, news letters, advertisements and other material published by the original Riley Cycle and Motor Companies, their successors and from the suppliers of components to those companies and from Riley Club members worldwide.

Copyright material is included with permission from the copyright holders.

The library is a work in progress and has been expanding since inception with much appreciated contributions of original material by many Riley owners and enthusiasts from around the world.

## CONTRIBUTIONS ARE THE BACKBONE OF THIS LIBRARY

If you would like to contribute any publication that is not already in this library or if you have any questions or comments please contact:

## **DISCLAIMER.**

**Material in this library is made available to Riley enthusiasts in good faith but no guarantee of authenticity or accuracy of content is given or implied by the Librarian/Historian nor by the Officers of The Riley Car Club of New Zealand Inc.**

**Any person accessing the library is entirely responsible for any use they may make of the material therein.**

## **CATALOGUE.**

For ease of reference individual publications are numbered when they are filed in the library and this catalogue contains those details.

## **LIBRARY WEBSITE - How to find a publication.**

The easiest way to find what you are looking for is to use the Subject Index on the left hand side of the Home Page. *See the illustrations on the next page.*

Clicking on the Subject Heading will open that section where you will see picture links to all the publications in that section.

Alternatively by entering the book number in the search window on the Home Page of the website a link to that publication will be displayed.

The search window is opened by clicking on the search icon at the top right of the Home Page.

## **MAGAZINE SECTION.**

Riley Club Magazines are not individually numbered and can be found in their individual Subject Indexes as above.

FIND WHAT YOU WANT VIA THE SUBJECT INDEX.

On a computer it looks like the picture below. On a tablet or mobile the index is opened by clicking on the Index Logo:
